### MESSAGE OF CONDOLENCES

I was shocked and dismayed by the twin horrific bombing and mass killings last Friday that killed many innocent Norwegian people. Vietnam strongly condemns extreme and terror acts of brutality aimed at the innocent people. On behalf of the State and people of Vietnam and in my own name, I would like to extend to Your Majesty, the Norwegian people and victim families, my deepest condolences. I am confident that under the clear-sighted leadership of Your Majesty, the Norwegian people will stand together and overcome this sorrowful moment to further advance in the path of building the peaceful and prosperous country.

NGUYEN MINH TRIET

President  
Socialist Republic of Vietnam

HIS MAJESTY KING HARALD V
