Re: **MESSAGE OF CONDOLENCE**

It is with a deepest sense of shock, grief and sorrow that I learnt of the sad and dastardly acts resulting in the senseless loss of life of many innocent citizens of Norway on 22<sup>nd</sup> July 2011. Norway is a democratic and peaceful country whose noble ideals have and continue to inspire the people of this our one world in greater depth. Indeed, the people of Norway have for a long time now been advocates for meaningful justice, fair play and freedom of the human race. Let me take this opportunity to convey my sincere condolences through Your Majesty to the bereaved families and the people of your great country.

Your Majesty, it is my prayer that during this period of mourning, the Lord God Almighty will continue to guide the bereaved families who are no doubt enduring the pain of the loss of their beloved ones and the nation at large for the loss of life of their compatriots. May the souls of the dearly departed rest in eternal peace.

Please accept Your Majesty, the assurances of my highest consideration.

*Yours sincerely,*

*K.D.*  
Kenneth D. Kaunda Dr. (GCEZ)  
First President of the republic of Zambia

His Majesty King Harald  
Kingdom of Norway
