

THE GOVERNOR GENERAL · LE GOUVERNEUR GÉNÉRAL

July 25, 2011

Your Majesty,

My wife Sharon and I join with all Canadians in conveying our deepest condolences on the horrible attacks your country has suffered last Friday.

Canadians are very much saddened by this loss of life. Our two countries have worked closely together in the global community in many ways and we grieve with Norwegians during this difficult time.

Once again, we send you, your country, and the friends and family who have lost loved ones our sympathies. Our thoughts are with you.

Yours sincerely,

David Johnston

His Majesty King Harald V
Kingdom of Norway
