Majestys

I have been following the news concerning the tragic consequences of terror attacks in Oslo, which caused the loss of so many innocent lives, much suffering and destruction. In this tragic moment, on behalf of the people of Cape Verde, I offer heartfelt condolences to Your Majesty and to the friendly people of Norway, particularly to the families who lost their beloved ones.

While vigorously condemning such acts of madness and terror, which threaten social stability and harmony, I assure Your Majesty of our solidarity and availability to the fight against this phenomenon, as much as we can and without truce, for the benefit of peace, security and well-being anywhere in the world.

Renewing our sympathy and solidarity, please accept, Your Majesty, the expression of my highest consideration.

Yours sincerely,

PEDRO PIRES

President of the Republic of Cape Verde

His Majesty
KING HARALD V
OF NORWAY
