**HIS MAJESTY, HIS MAJESTY HARALD V,
KING OF NORWAY**

Oslo

We are shocked to learn about horrendous acts of bombing in Oslo - capital city of the Kingdom of Norway and shootings on island Utoeya, which took place on July 22, 2011 and which took many human lives and wounded many youth and adolescents. May we convey our heartfelt sorrow and sympathy to Your Majesty, through You to the families of the victims and the people of Norway.

We are in firm conviction that such violence and terrorism perpetrated to destroy democracy, free choice and tranquil life can not frighten the people of Norway.

The people of Mongolia will continue to support the unwavering efforts and active participation of the Government and people of Norway in building peace in Afghanistan and fighting against international terrorism.

Sincerely,

**TSAKHIAGIIN ELBEGDORJ
PRESIDENT OF MONGOLIA**
